Re: Sassone et al. v. Quartararo et al.  
07 CV 4142 (MDF) (KMK)

Dear Judge Karas:

My law firm represents all defendants in the above-referenced matter. Pursuant to my assistant's telephone conversation with Eric from Your Honor's Chambers, I write to request an extension of time – from January 4, 2008 until January 7, 2008 – to submit defendants' reply in connection with our motion to dismiss the amended complaint in this action. Opposing counsel, Jonathan Lovett, Esq., has consented to the extension. Upon Mr. Lovett's request, the Court previously approved an adjournment of plaintiffs' response and defendants' reply until December 19, 2007 and January 4, 2008, respectively. The previously Court-approved return date of January 11, 2008 need not be changed unless Your Honor wishes otherwise.

Respectfully submitted,

SNITOW KANFER HOLTZER
